Annie Fitte-Duval et Stéphanie Rabiller

*Anne-Marie Doucet-Dahlgren* (educational science research teacher), *Vivienne Martinez* (social worker in Trait d'Union and in a home-care service), *Claire Mahlstedt* (Specialized teacher - Louis Pergaud First Degree Regional School – Normandy), *Fabienne Darritchon* (head of an education team at an Asylum Seekers' Home Centre in Gard) ; *Paola Milani* , *Chiara Sità*

BREAK

11.30am-12.15pm

 Keynote speaker

*About what growing in family today. Means. Different European points of view*

*Catalin Fedor\**

\* **Paola Milani**, PhD in Education, is from 2015 Full Professor of Family Education in the Department FISPPA at the University of Padova. Since 2010 she is leader researcher in the LabRIEF, <https://www.labrief-unipd.it>

Italian representative in COST action 18123, EuroFam-Net, of European Commission, she leads the research programme P.I.P.P.I. promoted by the Ministry of Labor and Social Policies: it is the largest programme in the history of Italian social policies. The P.I.P.P.I. is awarded as the most significant in its field at the Italian Sustainable Public Administration Award 2019 and also as the leader for the Section "Methods and Tool Award" for the 2019 European Social Network award. She is author of more than 200 scientific papers.

\* **Chiara Sità** is associate professor in Education at the University of Verona, where she teaches Early Childhood Education. Her research is focused on the relationship between professionals and parents in educational contexts and in parent support services, considered as a ecologies where parenting cultures are negotiated through everyday practice. She has developed the multi-method research "FamilyLives" ([www.familylives.eu](http://www.familylives.eu)) on parental identity within same-sex couples, between Italy and USA, and has coordinated the Doing Right(s) Erasmus+ project on the training of professionals working with LGBT+ families.

\* **Stéphanie Rabiller** is a lecturer in public law at the University of Pau and Pays de l'Adour, with a doctorate in public law. She is a member of the IFTJ laboratory (Federative Institute of Research on Legal Transitions), where she is in charge of the health and social axis. She is also Director of the Master's degree in Health and Social Sector Management (C3S), of the Bachelor's degree in Health and Social Sector Management and of several university diplomas (DU - Health Care Ethics - Quality Approach - Palliative Care). She has published various scientific contributions and participated in different research programs in the health and social sector.

\* **Annie Fitte Duval** is a lecturer in public law at the University of Pau and Pays de l'Adour, and a doctor of public law. She is a member of the IFTJ laboratory (federative institute of research on legal transitions). In particular, she is involved in various public law masters: Master's degree in health and social sector management, Master's degree in fundamental rights, Master's degree in local authority law. She teaches and publishes on issues of legal liability, fundamental rights, local government law, civil service law and public ethics.

\* **Cătălin-George Fedor** is graduated in the Faculty of Philosophy and Social-Political Sciences of the "Al. I. Cuza" University of Iași in 1996, and specialized in sociology and politology. He holds a PhD in Philosophy in 2007 and a PhD in Sociology in 2016 at the same institution. He is senior researcher at the Center for Anthropological Research of the Romanian Academy. Sociology and Social Anthropology are his areas of interest. He is the author and co-author of numerous studies on the anthropological structure of current populations in Romania, communities (ethnic, religious, cultural, etc.), and domestic and social violence. He also carries out didactic activity, as an associate professor, at the Faculty of Philosophy and Social-Political Sciences, where he teaches "Paradigms of sociological thinking".

# PROGRAM FOR THURSDAY 27 MAY 2021

THEMATICS: The support relationship in a context of societal upheaval.

## The question of the link

1.30 p.m. - 3.30 p.m.

 Introduction to the round table N°2

*The vicissitudes of the bond: families have a history. Three stories for "this link that dances in my blood". Three slices of life. "Stretched, torn, mended, soothed, the link as salt of life."*

*Bernard Contraires\* et Christiane Expert\**

Round table n°2

*How does the social bond transform the family bond?*

Facilitators :

Bernard Contraires

Christiane Expert

Marie-Annick Larrouy

*Discussions around 3 stories:*

1. The emergence of the bond for the child in a care context
2. The dropout of the bond
3. The "normalization" of the link with the parents for the child

*Anna Calvo* (psychologist - Maison des Ados Du Pays Basque),

*Mathilde Bareille* (social worker CSAPA Broquedis - association Caminante), *Laurent Cassourret* (assistant director IME Pierre

Duplaa - association Caminante), *Aude Kerivel\**

BREAK

3:45pm-4:45pm

Speaker's presentation

*From encounters to bonds: a challenge in family-type support*

*Aude Kerivel\**

### \* Aude Kerivel

Phd Sociologist, conducts research, action-research, public policy evaluations and experimentations' assessments. She has, among other things, worked at LERFAS as a researcher, at INJEP as Head of the public policy evaluation pole and has taught in many schools of social work. She works, among other things, on the social capital of children in custody, violence in institutions (ITEP, MECS, school), inequalities and discrimination, religious affirmation among young people.

<https://univ-rennes2.academia.edu/AudeKerivel>

### \* Christiane Expert :

Head of an education service / Co-founder of a mother-children's support service/ Administrator of the Caminante association.

\* **Bernard Contraires**, Doctor of Medicine and Pediatrician. Former hospital intern. His career from 1979 to 2015 is divided successively between hospital practice in a multidisciplinary general paediatric ward and ambulatory liberal exercise. For 20 years he also devoted himself to liaison pediatry in an institution accompanying young children and adolescents with cerebral palsy. Two constant areas of interest in his practice: intra-family relational dynamics and social bonding. Thus were born the Trait d'Union Place of fostering children parents, and the home of teenagers Adoenia whose projects he carried out. Since four years he is an administrator of the Caminante association.
